

Video/Film Project: Music Video

Duration: Approximately 3-4 minutes

What You Will Do: Create a Music Video to accompany a song of your choice.

- Select a song with lyrics
- Create a **storyboard** for your music video. You may re-shoot an existing music video or create your own original imagery to accompany the song.
- Edit the video to match the **tempo** of your song.
- The on-screen images should relate to the **subject** matter of the song.
- Include at least **15 seconds** of lip-synching.
- Add dynamic **visual effects**.

Be Advised: The use of inappropriate content, including profanity, sexuality, or drug references, is prohibited and will result in point deductions.
